2 LADIES

OVERVIEW.

2 LADIES offers the perfect combination of understated elegance and homely comfort, featuring dual master cabins for a flexible charter arrangement. With a wide selection of toys for those who enjoy some action, she also features a sauna and steam room, a jacuzzi and a wide variety of outdoor entertainment areas to keep things fresh throughout your stay.

Revive yourself with an early morning yoga flow on the swim platform followed by a moment of peace in the sauna and steam room before you make your way up to the main deck aft. A delicious breakfast awaits, accompanied by stunning views of the anchorage off the stern.

After a quick chat with the captain to go over your day's plans, jump on the yacht's jetskis to take a tour of the coastline before enjoying a watersports filled morning straight off the beach club, trying out 2 LADIES's various toys including the SeaBobs, waterskis, waterskate and monoski. All the family can enjoy some fun on the towable inflatables for some high speed action that will have you smiling from ear to ear. And if your group likes scuba diving, take a morning excursion with a local guide to discover some of the area's best dive sites.

Lunch is a relaxed affair of mouthwatering salads and grilled local seafood on the main deck aft while you share stories of your morning's activities, then a few guests head ashore to explore a nearby town by electric motorbike and electric bicycle.

You might opt to indulge in a relaxing afternoon on the flybridge deck, splitting your time between the jacuzzi, sun pads, sunloungers and sit-up bar. Alternatively, head out of the sun and watch an animated movie with the children in the comfortable main deck lounge followed by afternoon tea on the bridge deck aft with freshly prepared pastries.

Your guests take the elevator down to their cabins to dress for dinner, while you make your way to one of the two expansive master suites, which each feature comfortable private lounges and walk in wardrobes. Then everyone convenes on the comfy sofas of the Portuguese bridge for cocktails and canapés, with prime views of the sunset, before heading to the dining room for a tasting menu feast prepared by the chef with a wine flight accompaniment.

Drift off to sleep in total peace thanks to the zero speed stabilisers, in order to wake up refreshed and ready to start the adventure again tomorrow on your wonderful charter on board 2 LADIES.
