OVERVIEW.

GOTTA GO is a timeless Italian-built tri-deck motor yacht that blends elegant styling, long-range cruising capability, and luxurious onboard living. Designed by renowned yacht stylist Stefano Righini with interiors by François Zuretti, the Benetti Classic series is widely respected for its sophisticated profile, spacious layout, and proven seaworthiness.

Built with a GRP displacement hull and superstructure, the yacht measures approximately 121 feet (36.9 meters) in length, offering exceptional interior volume for a vessel in this class. The Classic 121 was designed for comfortable long-distance cruising, featuring a cruising speed of approximately 13 knots and a range exceeding 3,000 nautical miles. Twin CAT engines provide reliable and efficient performance while stabilizers enhance comfort underway and at anchor.

Accommodations aboard the Benetti 121 Classic are arranged for up to 10 guests in five luxurious staterooms, including a full-beam master suite on the main deck. Below deck, four additional guest cabins provide flexible arrangements for family and guests, all finished with the refined craftsmanship and rich detailing synonymous with Benetti yachts. Crew accommodations for up to seven ensure a high standard of onboard service and operational efficiency.

The yacht's tri-deck configuration offers multiple indoor and outdoor entertaining spaces. The main salon features expansive windows, elegant furnishings, and a formal dining area, while the skylounge provides a more relaxed panoramic retreat. Exterior spaces include generous aft deck seating, alfresco dining areas, and a spacious sundeck often equipped with a Jacuzzi, bar, lounge seating, and sun pads.

Benetti's Classic series has long been recognized for combining traditional superyacht elegance with practical functionality. Owners and industry professionals continue to regard the Classic 121 as one of the most successful semi-custom superyacht platforms ever produced by Benetti Yachts, offering a balance of luxury, comfort, and ocean-going capability that remains highly desirable in today's brokerage market.

Key features

Sundeck jacuzzi

Zero speed stabilizers

On deck master

Accommodation for up to 10 guests and 7 Crew
