# APERÇU.

**A brand new 44-metre (145ft) yacht with state-of-the-art naval architecture by the esteemed Raymond Langton and spacious tri-deck accommodation in pristine condition with a smart, contemporary feel – that’s ACE. Before you even get on board, it’s clear from that you’re about to experience something special.**

Step inside and that first impression is confirmed, thanks to M2 Atelier’s modern Italian design. The main deck lounge has the vibe of an exclusive urban loft – a large, inviting open space where the furniture seems to float above the floor, with floor-to-ceiling glass on three sides.

The same theme and style are echoed in the upper deck sky lounge with its panoramic, elevated views across the sea. It’s a perfect place for a movie, an intimate conversation or simply to relax. You can slide the fully glazed doors open wide to let the sea air flow gently in, or slide the bookcases to reveal a huge TV screen.

The full-beam master cabin gives a similar impression of ample open space. Up front of the main deck, with a king-size bed facing forward and huge plate glass windows, it’s a room with a splendid view. There’s a study desk and sofa, an anteroom with capacious wardrobes and a white marble en suite bathroom with a rain room shower. The other guest cabins include two VIP doubles and adaptable twin-bed cabins that convert into queen size doubles.

The sun deck is another superb space with a large sit-up bar and a dining table in deep shade, a stylish square jacuzzi pool with an uninterrupted view forward through a glass windbreak and an outdoor cinema setup. Wherever you are on board, you can expect attentive service from the experienced crew of nine.

Watersports enthusiasts are very well catered for on board, and she’s an approved RYA training centre so you and your guests are in good hands, with ample opportunities to learn a wide range of new waterborne pursuits or improve your existing skills. There’s a 10-metre (34ft) chase tender for ultra-fast transfers to and from the shore, ideal for visiting beaches and small harbour towns. She carries a jet tender and a wide range of toys including SeaBobs, Jetsurf and E-foil boards, kitesurfing kit, wakeboards and waterskis, paddleboards and a sea pool for safe bathing.
