ADDICTION

APERÇU.

ADDICTION blends open deck spaces and welcoming interiors with versatile accommodation and a large toy locker in a way that makes her very well suited to family charters.

The sun deck has a jacuzzi forward fringed with sun pads and a sit-up bar ahead of an al fresco dining table for 10 guests shaded by the hardtop. Aft is a spacious lounge area beneath a removable awning.

There's more al fresco dining and a lounge shaded by removable awnings on the bridge deck aft sheltered by glass side screens.

Forward in the sky lounge, entertainment is key, featuring a baby grand piano and a lounge area with a large TV set up for movie nights. It's also a great place for escaping with a good book or just soaking up the view through the huge windows.

The Portuguese bridge is an intimate space where you can enjoy a spectacular sunset and foredeck sun pads allow guests to relax with a cooling breeze and a sundowner.

On the main deck aft is a lounge area, table and easy chairs, perfect for relaxing with a good book or snacking after a morning using the watertoys.

The main deck interior offers a stylish and comfortable salon and a formal dining table for 10 guests. For 12 guests, two must be seated at a separate table.

The full-beam master suite is forward on the main deck with a huge bathroom, walk-in wardrobe and a private office. There are three double cabins and a twin on the lower deck. The aft double is slightly larger and opposite is the twin with the advantage of having a sliding door between the two giving the possibility of one family room. An additional twin cabin on the main deck could suit a nanny and child if required.
