SEVENTH SENSE

APERÇU.

The beautifully presented SEVENTH SENSE offers a wide variety of deck spaces and indoor lounging areas for a yacht of her length. With a great choice of watertoys, generously sized cabins and a fun sun deck, she is the perfect base from which to explore Croatia's idyllic coastline.

Soak up the sunrise with a coffee on the foredeck for an inspiring start to the day. Breakfast is served on the upper deck aft, with fantastic panoramic views, then everyone heads into the sky lounge to discuss the day's plans with the captain.

For those in a leisurely mood, the sun deck provides ample options for relaxing in comfort and style. Choose between the jacuzzi, large sheltered sun pad and sun loungers, or head to the foredeck's sun pads to take in the stunning anchorage views.

If you have action in mind, the range of watersports toys will be sure to please, based off the large extending swim platform. Tour the coastline by jetski or be towed in the inflatables at high speed behind the tender. A snorkelling safari offers fun for all the family, with sea scooters and SeaBobs offering a boost in the water.

A relaxed lunch on the upper deck aft provides an opportunity enjoy delicious local produce prepared by SEVENTH SENSE's chef, while the captain transports you to a new anchorage looking out over an ancient Croatian port town. The yacht's stabilisers, which operate when underway and at anchor, provide a smooth experience for ultimate comfort.

With lunch over, the spacious lounge offers the chance to recharge your batteries while watching a movie with the children. Or you may prefer the quiet sanctuary of the sky lounge to catch up on a good book and enjoy a chat accompanied by a refreshing cocktail while the more adventurous guests take a tender trip ashore to indulge in a little retail therapy.

Updated in 2016, the Zuccon International Project contemporary design scheme is complemented by brightness and vistas provided by large windows, creating a calming ambiance. She sleeps 12 guests in five cabins, comprising a full beam master suite with a walk in wardrobe, two generous double cabins and two twin cabins.

Evening cocktails are served on main deck aft, with its comfy seating and great views over the stern. Then you choose between dinner in the formal dining room or al fresco on the upper deck aft, to take in the splendid views of the Croatian coastline while the starry sky emerges.
