

ADVENTURE

ADVENTURE

APERÇU.

With Feadship build quality and elegant interiors by HB Design, ADVENTURE was designed with exceptionally low noise and vibration levels. She completed a full interior refit in April 2011 and was entirely repainted in 2013-14. Since then, a continual programme of maintenance keeps her in pristine condition.

Guests can have fun on the sun deck with bar, BBQ, large jacuzzi, dining and multiple sunbathing areas and seating options. As an added feature, the projector screen added in 2017 allows guests the perfect movie night setting under the stars.

The sky lounge has a relaxed, open ambience with a TV under the bar. It opens out on to the upper deck aft dining area with an extendable circular table to seat a maximum of 20 guests and further deck furniture for lounging or enjoying drinks and snacks.

ADVENTURE has a very comfortable, calm and light interior throughout with beautiful linens in all the guest cabins. The main deck full beam master suite features his and hers bathrooms with showers, a private study and lounge area. The neighbouring massage room can also be converted to a double cabin for children or young adults with a double pullman and adjoining shower room en suite. The lower deck forward has two double cabins each with walk through dressing rooms leading through to the bathrooms with twin basins and bathtub. Aft on the lower deck are two twin cabins with vanity desk, TV and en suite facilities with single basin and showers. This flexible layout allows ADVENTURE to accommodate 10 guests in five cabins and 12 guests when the massage room is converted into a sixth cabin.

ADVENTURE's longstanding crew are incredibly welcoming and really make the overall charter experience unforgettable. Whether they are organising special themed evenings, catering to the needs of families with young children, or deploying their extensive watertoy selection along with their fun upper deck waterslide, guests can rest assured they will be extremely well looked after.
