AHS

# APERÇU.

**AHS represents a unique and exciting proposition for a buyer in the market for a yacht of this size.**

Her elegant lines and masterful engineering are the work of the renowned Oceanco shipyard and her sophisticated yet inviting interior was designed by Alberto Pinto. The earthy colour palette in the main saloon features Macassar ebony and sycamore joinery with nickel-plated finishings, highlighting her retro-meets-contemporary styling and accentuating Pinto's exquisite attention to detail. The light and airy sky lounge benefits from large floor-to-ceiling windows and there is a dedicated cinema room for 12.

Accommodation for 16 guests is configured across eight beautiful cabins with a large full-beam master suite which converts to two VIPs and features two dressing rooms and spacious en suites. The expansive sundeck is designed around a scallop-shaped pool with swim jet and spa pool functions, while a shaded area aft provides informal seating and dining facilities.
