

AIFER

AIFER

APERÇU.

AIFER, a sensational 60m yacht, blends al fresco living with bright, spacious and colourful interiors. Guests love the beach club, huge sun deck with jacuzzi and gym, and welcoming interior lounge areas. After a substantial 2019 refit including a full repaint, the interiors and entertainment technology on the boat are in sparkling condition and ready to impress.

AIFER was delivered by renowned shipyard CRN in Ancona, Italy and comfortably accommodates 12 guests. The full-beam master suite, located on the main deck, has a private balcony ideal for al fresco breakfasts and romantic sunsets. There is a VIP suite on the upper deck along with a single cabin, and three double guest cabins and one twin cabin on the lower deck complete her versatile accommodation. Fifteen wonderful crew attend to your every need - even those you don't realise you have yet.

AIFER is also leading the way in eco awareness, with guests offered a range of products such as glass water bottles and reef-friendly sunscreen as green alternatives to single-use plastics and environmentally damaging products.

The yacht is exceptionally popular with guests, who sing the praises of both boat and crew. One broker testimonial sums up the AIFER experience: 'They have never given such a glowing review to any yacht they have chartered before.'
