

AIX

OVERVIEW.

Welcome aboard AIX, one of the most thrilling yachts on the charter market in the region, cruising in world class luxury and comfort. Delivered in 2022, this 44.5m (146ft) quad-deck yacht is absolutely state of the art in contemporary yachting. She offers a vast amount of exquisitely styled outside and inside living space for up to 10 guests with five cabins including an exceptional master suite, all the latest technology and a host of innovative features.

From dynamic cities and breathtaking unspoiled landscapes to sweeping beaches and stunning coastlines brimming with natural wonders, AIX's adventurous itineraries offer extraordinary experiences for the most intrepid guests. From the Whitsunday Islands, the gateway to the Great Barrier Reef, to island-hopping getaways to the faraway shores of Fiji, AIX is the ideal yacht to explore these spectacular and remarkably pristine parts of the Pacific Ocean.

The stand-out feature of her accommodation is the owner's suite, full beam and spanning three levels, comprising of an observation lounge with notable views, an office and access to a private outdoor space on the foredeck with a large jacuzzi pool. And with two further double cabins and two twins, her versatile configuration will suit most groups of guests.

To further elevate guests' enjoyment on board, the beach club is a dreamy oasis. It is the perfect social hub for an afternoon of watersports, with high-octane thrills on waverunners, exhilarating rides on inflatable tows, underwater exploration with SeaBobs, paddleboarding, water skiing, scuba diving, fishing trips, beach landings and more.

A charter on AIX comes with two tenders. A 12.4m (40ft) Tesoro T40 chase tender extends your range when exploring islands and inlets, plus it has a hydraulic swim platform for snorkeling or diving from the stern. The yacht also has a 6.3m (20.6ft) Williams jet tender, so if the Tesoro tender is out on a diving or fishing trip, there is still the Williams tender to get guests ashore, or take the children out for a run on the inflatables. With these two tenders and a big fleet of toys, there's plenty of aquatic fun for guests of all ages and abilities.

The upper deck lounge is also a great asset with a huge projector screen to deliver the full cinema experience. There's also a Technogym Kinesis machine for your daily workout. The main deck lounge is spacious and elegant, inviting and bright. The sun deck provides yet another large outdoor area to relax and unwind with magnificent sea views, and with aft decks on two levels there's a great variety of open-air living spaces on board.

Key features
