AKULA

APERÇU.

Launched in July 2024, AKULA is an award-winning 52.3m (171.8ft) Baglietto. A stunning exterior with sleek, modern lines comes courtesy of Francesco Paszowski, with a dark grey hull giving her a commanding, powerful presence in any harbour.

Designed for leisure and entertainment, AKULA offers a plethora of amenities to make every charter unforgettable, including a multi-level beach club. Enjoy a refreshing dip in the main deck pool, dine al fresco on the spacious sundeck – at 24m (72ft), it's the largest of any 52m yacht in her class – or unwind in the sundeck jacuzzi.

Inside, work up a sweat in the fully equipped gym or take care of business in the dedicated office. Whatever you need, however you like to charter, AKULA has a space for you.

While she is part of Baglietto's T52 series, AKULA is completely unique thanks to a close collaboration between the shipyard and the owner. Giving her a distinctive personality, a neutral colour palette of cream and grey is accented with pops of colour. 12 guests are accommodated across six cabins, the standout of which is undeniably the master cabin with a separate lounge, en suite, and floor-to-ceiling screen.
