

ALEGRE

ALEGRE

OVERVIEW.

A 40-metre Benetti tri-deck yacht is a smart choice for a luxury charter and ALEGRE is a superb, recent example of these well designed and popular vessels. From the full-length sundeck and multi-level foredeck lounge to her two sumptuously furnished aft decks, she offers a wide range of outdoor spaces to suit any occasion on board. And when you want to retreat from the breeze or the heat, she offers a vast amount of interior living space furnished in exquisite Italian style.

She's designed to host up to 12 guests in great comfort, with six cabins – five doubles and a twin – and she has powerful stabilisers to smooth her motion at all times. And with a full Starlink satcom setup on board, good Internet connectivity is assured.

The sundeck has a versatile layout. There's a double daybed up front in pride of place with a glass windbreak and an excellent view, a shady dining area, a comfortable lounge, an open-air gym and a sunbathing zone. The bridge deck aft is also notably spacious with the yacht's main outdoor dining table well separated from the stylish lounge.

The main deck aft overlooks an extended bathing platform, where a great range of watersports toys can be deployed. From SeaBobs and a Flyte board to paddleboards, kayaks, two large, powerful tenders, a three-seat jet ski and more, there's plenty of aquatic fun for guests of all ages and skill levels to enjoy.

Her interior style is bright, welcoming and tastefully luxurious. The main deck saloon is ideal for hosting a large gathering in its lounge or dining area, but equally good for guests to hang out in small groups or do their own thing. The skylounge is a snug sitting room, ideal for TV, movie and gaming sessions in front of the big screen, with a games table and cocktail bar offset on the port-hand side.

Up front on the main deck, the master suite is a full-beam cabin with a blond hardwood finish, and lounge and study areas flanking the king size bed. Its en suite bathroom extends across the full beam of the yacht. The other four guest cabins, all on the lower deck with their own private bathrooms, are nicely sized and finished in a similar style.
