

ALEMIA

ALEMIA

APERÇU.

Calling all speed demons! Forming part of Italcraft's 105 maxi open range, ALEMIA is a powerful, fast-paced, thrill-seeker's delight. Maxing out at a top speed of 41 knots, coupled with an impressive cruising speed of 30 knots, the sporty craft's lightweight black planing hull and silver superstructure are eye-catching material. You're sure to arrive in style and on time wherever you are in the world with ALEMIA.

ALEMIA's twin 2400 HP MTU common rail engines are paired with Arneson surface drives to provide a 400-mile range of high octane fun. When at anchor, take a dip in the sea from the comfort of the large stern platform. Kick back on the aft deck sun pads for a front row seat of the action. At midday, enjoy a lunchtime barbecue from the C-shaped dinette with an extendible table that seats up to 10 guests, then let rip on the assortment of water toys, including water scooters, inflatables and towables.

If the temperatures are soaring, seek solace in the shade of the deckhouse overhang, which electronically extends for ease, or embrace your inner sun worshipper and recline on the sun pads forward to feel the cool wind in your hair. Flexibility is key to ALEMIA's design, exemplified by the bow area's extendable table arrangement, ideal for an impromptu afternoon tea. With sporty sleek looks to match its head-turning performance, ALEMIA is a style junkie's dream.

A clean, crisp all-white interior provides a contemporary chic ambience. Spend your evening meals together sat around the glass-topped dining table in the main deck salon. It's ideal for intimate dinners seating up to 10 guests, though its position adjacent to a wide-screen television creates a lively entertainment space ideal for catching your favourite televised sports.

On the lower deck, a cosier vibe in the five guest cabins invites relaxation and repose. Drink in the day's activities with restful reflection in the master cabin, equipped with an ensuite and a blend of nautical-inspired details and modern comforts. Warm and welcoming, ALEMIA's flexible accommodation – including two single cabins that convert to twins – will have you planning adventures aboard for years to come for the whole family.
