ALI BABA

APERÇU.

The Superyacht ISA Classic ALI BABA is a tri-deck with a steel displacement hull and a stylish stern stairway characterised by Andrea Vallicelli. Delivered in 2012 and refit in 2022/2023, her timeless styling, beautiful furnishings and sumptuous seating by Francesco Paszowski, feature throughout creating an elegant and comfortable atmosphere. She sleeps up to 12 guests in 6 staterooms and is also capable of carrying up to 9 crew onboard to ensure a relaxed luxury yacht experience.

The main deck master suite includes a private salon, an office, a dressing room, a bedroom, and a generous his and her bathroom featuring Jerusalem stone in the shower and the bath. The other staterooms reside on the lower deck and include two double and three twin en suite cabins. The decor is consistent with the rest of the yacht, and a rosewood staircase joins the decks.

The top deck houses the modern bridge with the helm situated in a predominating position from which there is direct access to a technical room and to the captain's cabin with dedicated bathroom.

The abundant outdoor areas which can be found on the sundeck by the jacuzzi, the aft deck and an extra seating area forward of the helm together with her impressive leisure and entertainment facilities make her the ideal yacht for socialising and entertaining with family and friends.
