

ALTA

ALTA

APERÇU.

ALTA is a sophisticated, luxurious yacht perfect for the holiday of a lifetime. She is built by the premier yard of Palmer Johnson and is now amid a full major refit, led by award-winning superyacht designer Patrick Knowles, with an expected completion date of December 3, 2021.

Knowles and the owner left no stone unturned when it came to scope of this project. The redesign, following the concept of a chic modern beach house, spans across all owner and guest interior areas, includes new finishes and new stone works throughout as well as on the main aft deck, bridge aft deck, sun deck & day head, stern beach club and the gym & gym head. A new forward crew cabin was added to accommodate additional crew members which will be instrumental in providing the utmost superb service to owners and charter guests alike. All interior furniture is custom manufactured to help maximize each space. Plans also include a replacement of all plumbing, hardware, lighting, lighting controls, and outlets, and a full audio visual upgrade.

Her flexible accommodation is desirable for diverse charter parties, as she has three king staterooms and two convertible staterooms, allowing the option of two single twin beds or one king-sized bed. The master cabin is located on the main deck and has a separate private study, two sofa areas and large hanging wardrobes. There is also a 6th bonus stateroom located in the skylounge perfect for accommodating 2 additional guests for a total of 12.

ALTA's sun deck provides a cool and shaded aft deck which proves a perfect spot to spend evenings while dining al fresco under the stars. Her unique design includes a superbly versatile lazarette and aft platform which creates a recreation area of its own. The swim platform is perfect for easy access to the water, as the stairs lower into the water, enabling easy access for aquatic activities for all ages.

Designed to allow guests the luxury of separate areas in which to enjoy the pleasures of life on board, ALTA perfectly blends outdoor and indoor living spaces. Guests will find an abundance of space to delight in a lavish lunch, delicious al fresco dinner on deck, or simply lounge in the jacuzzi, relax with friends and family, while taking in the breath-taking views after a long day of adventure.
