

ALVIA

ALVIA

OVERVIEW.

ALVIA is built for discerning clients and delivers on the indoor-outdoor lifestyle with individuality and flair. Delivered by Feadship in 2024 with design by RWD, ALVIA is destined for greatness.

The 6.4m (21ft) glass-sided pool on the main deck aft is the perfect spot for families to linger all day, surrounded by sun loungers, a sun pad, bar, dining area, and TV. On the sun deck, the jacuzzi and aft sun lounge offer more intimate settings. Equipped with all-new toys, inflatables and certified as an RYA training centre, you can enjoy every activity with confidence. For basketball, soccer, golf, or pickleball, head for the games deck.

Wellness is a priority on board ALVIA. The alfresco gym, dappled with light filtering through the glass-walled pool, features a fold-down sea balcony where the yacht's personal trainer can oversee your workout while you watch the waves. Steps away, find an infrared sauna, steam room, plunge pool, beach club, and swim platform. For massage and beauty treatments, visit the owner's deck beauty salon, complete with a folding balcony.

For celebrations, ALVIA's owner's deck is unparalleled. Begin with an aperitif in the owner's bar and lounge, followed by a stylish dinner at the alfresco dining table, paired with fine vintages selected by the yacht's sommelier from the cellar next door. Post-dinner, retreat to the aft lounge around a mesmerising outdoor firepit or continue the conviviality in the open-air lounge adjacent to the dining area.

Entertainment options are plentiful. The lower deck cinema shows must-see movies anytime, while the bridge deck sun lounge features a TV for daytime sports and transforms into an outdoor cinema with an 85-inch screen by night. The bar and DJ station make this a perfect spot for evening entertainment.

As night falls, ALVIA's versatile accommodation, accessible via an elevator spanning the main to bridge decks, truly shines. The breathtaking master suite boasts wraparound floor-to-ceiling glass, foredeck access, an enormous oval skylight, his-and-hers en suites and dressing rooms, and a private office with a fold-down balcony. The main deck hosts two VIP suites, each with its own balcony, two double suites (with an option to convert into a third VIP cabin) and two convertible double suites.

Yachts like ALVIA, crafted with no compromises, are truly exceptional. She is ready to welcome guests who appreciate her outstanding design - guests who are just as extraordinary as ALVIA herself.
