AMARYLLIS

# APERÇU.

Launched in 2011, AMARYLLIS is the one of the most successful charter yachts afloat. With exceptional pedigree, her interior design is a stunning fusion of Art Déco, Art Nouveau and Belle Époque styling.

Start the day with a workout in the beach club gym by the water's edge with open air and ocean views. Follow your session with a cooling dip or soothe your aching muscles in the Asian spa with plunge pool, sauna and steam room. Enjoy a well-deserved breakfast on the bridge deck and discuss the day's plans with the captain. After breakfast, relax and explore the many lounging areas across the five decks. Guests gravitate to the sun deck where there is a large jacuzzi pool with both sun pads and more shaded lounging forward. Alternatively, the main deck aft is always a great space to spend family time.

After a morning spent sunbathing and relaxing, take lunch al fresco on the bridge deck's large dining table. Large sliding doors lead through to the skylounge, the perfect place to retreat to when the sun is at its height, creating an indoor-outdoor environment. Then it's time for some fun on the water with AMARYLLIS' treasure trove of toys, including waterskis, inflatables toys, jetskis, wakeboards and fishing equipment.

Back onboard, freshen up in the yacht's superb accommodation. Located on the upper deck, the full beam master suite provides uninterrupted panoramic views from the huge windows. It also has his and hers en suite bathrooms, separate dressing rooms, and direct access to a private terrace forward – the perfect spot for a private sundowner. The VIP suite is located on the main deck comprising a large berth with en suite, dressing room and spacious lobby, while there are a further four en suite guest cabins, three double cabins and one twin, on the lower deck.

After your private sundowner, join your guests on the upper deck aft deck for pre-dinner cocktails while the chef prepares a delicious dinner for you to enjoy in the stunning formal dining area. Encircled with curved glass doors that can be opened to the elements, a circular table seats 12 guests beneath a bronze and crystal chandelier. After dinner, retire to the piano lounge, enjoy a movie on the large screen or head down to the main deck via the impressive central staircase or glass elevator and relax in the main saloon or the seating aft, sharing stories from the day and making plans for the morning. Relax, eat, sleep, repeat.
