

ANDIAMO

ANDIAMO

APERÇU.

A brand new 36m (117ft) tri-deck yacht equipped with the full range of state-of-the-art design features, based in the Adriatic with an excellent crew of seven who have worked together for years... a charter yacht which offers all that is a rare fine indeed, but ANDIAMO ticks all the boxes and more.

Built in 2023 by the esteemed Sanlorenzo shipyard with masterful contemporary design by Zuccon International, ANDIAMO delivers a superb luxury charter experience for 10 or 12 guests in five cabins. She has a great variety of outside decks where you can make the most of a holiday at sea, and the transition between interior and exterior spaces is almost completely seamless. When you're anchored in a beautiful cove, or in the sheltered water between several small islands, two sides of each saloon can be opened wide to bring the seascape right in to these living spaces.

The sundeck has a stylish glass-fronted jacuzzi plus a bar and a sociable lounge. There are a fold-out balcony terraces alongside both the skylounge and the main deck saloon. Her aft quarters fold down to create a sea-level beach club area that wraps around the stern. The main deck aft flows straight into the main deck saloon and the upper aft deck, which is the main outdoor dining area, does the same with the skylounge. There's also a large, multi-level space on the foredeck with interconnecting lounges on two different levels – and the lower-level lounge on the bow has direct access from the master cabin.

Another great aspect of ANDIAMO's interior and exterior layout is that it's been designed with configurable cabins and a wide variety of charter experiences in mind. It's ideal for a family holiday when guests of all ages can gather or find their own spaces to relax and unwind, or have fun and play. It's equally perfect for a couple in search of a special romantic getaway with the highest standards of luxury, or for a group of friends who want to enjoy fine cuisine and wine on a sociable voyage of discovery.

The master suite, at the forward end of the main deck, is also a notable highlight. Entered through a separate anteroom with three capacious wardrobes, it's a bright and airy full-beam cabin with two armchairs, a study desk, a large en suite bathroom and big, wide-opening windows on both sides. And perhaps its best feature, a flight of steps leads up and out into the comfortable open-air lounge on the bow.
