ANNABELLA

OVERVIEW.

ANNABELLA is a 44.5m Sanlorenzo 44Alloy motor yacht, delivered in 2021 as one of just 13 in her class. Built in Italy and designed by Zuccon International Project, she combines striking exterior lines with a stylish modern interior by Studio Liaigre. Powered by twin MTU diesel engines, she reaches a top speed of 21 knots and cruises comfortably at 13 knots. With a generous 8.9m beam and 482 GT, ANNABELLA offers both performance and space in a sleek, contemporary package.

Her interior and deck spaces have been thoughtfully designed for both family enjoyment and guest entertainment, with a spacious main salon, elegant dining areas inside and out, and an inviting owner's suite forward on the main deck. On the lower deck, a 65-square-meter beach club with gym opens on three sides to create a seamless connection to the sea, complemented by four well-appointed guest cabins for extended stays onboard. The expansive, multi-level master suite and a custom jacuzzi on the owner's forward deck further elevate her appeal.

ANNABELLA is a multi-award-winning yacht, recognised for her exterior design and craftsmanship on the international stage. With her striking two-tone profile, impeccable interiors and meticulous private ownership, she represents an outstanding opportunity to acquire a yacht in fantastic condition. Uniquely located in Phuket, Thailand, she is the ultimate family yacht as well as an ideal charter platform.

Key features

Striking two-tone profile with interiors by Studio Liaigre
