

APMONIA

OVERVIEW.

APMONIA is a delivery from French builder Couach's popular 3700 series. The yacht origins from 2008 and completed a thorough refit with her new current owner in 2021. Her seductive lines, very high-quality interior décor and luxurious amenities makes her a perfect choice and indeed tailor made for cruising from bay to bay or island hopping in style.

Designed to entertain her discerning clients the yacht offers several bar areas both indoor and on deck for coffee or cocktails, and her modern SONOS music system is just non comparable to similar yachts in her category. She has a cruising speed of 22 knots and can reach speeds of up to 29 knots.

The high head room is worth mentioning as it is exceptionally high at 2.2m in both lounge and guest cabins which creates a very comfortable environment. Her tasteful and elegant interior is reflected throughout the guest areas including her four guest cabins.

The main lounge features a spacious sofa area, bar and comfortable dining. Located main deck forward is the full beam VIP double cabin featuring small desk area, sofa corner and ensuite marble shower room with double sinks and large windows allowing lots of natural light. The full beam master cabin on lower deck is indeed impressive with sofa seating, desk, walk in wardrobe and en suite over sized shower room with double sinks and beautiful marble and woodwork. An additional double and twin cabin both offer generous en suite marble shower rooms. The sun deck is vast and has a bar, shaded dining for 10, jacuzzi for eight and large sunpad area perfect for relaxing and enjoying the scenery underway. An additional sunpad area is located main deck forward.

APMONIA offers a great water toy inventory as well as a brand-new tender (2021) for transfers and entertainment.

Key features

Modern and very sophisticated elegant interior

Bar, jacuzzi and treadmill on the sun deck

Authorised RYA training centre for watersports
