

APOGEE

OVERVIEW.

As the gold standard for immaculately presented charter yachts, APOGEE has a firm focus on supreme service with a large slice of fun. From her sumptuous lounges and exquisite dining to relaxed beach parties and her private nightclub set-up, she covers the full spectrum of upscale entertainment.

Start your morning with an informal breakfast on the main deck aft, with a choice of seating in the sun or shade, alone at the bar or together at the tables. Next, sample the various watertoys on board, towed behind the yacht's fast jet tender for waterskiing, wakeboarding and rides on inflatables, or taking to the jetskis and underwater sea scooters.

If you'd rather stay dry, the main deck aft offers a front row view of the action, while the lounge is a plush setting for coffee and a catch-up. With annual updates, APOGEE's timeless interior is impeccably presented, featuring mahogany and rosewood panelling offset by a palette of creams and browns.

The limousine tender provides a chic and protected means of travelling ashore for a spot of retail therapy before you are whisked away to a secluded shore for one of APOGEE's famous beach BBQ lunches under the gazebo, complete with bespoke cocktails and freshly grilled lobster.

Back on board, ride the elevator up to the sun deck and take in the views from the large jacuzzi or recline on the seating and sun pads, served by the attentive crew at the nearby bars. If you like working out in the afternoon, the nearby gym is just the ticket. With climate control and TVs for some alone time or sliding doors opened to connect with those outside, there is a range of cardio equipment and weights to choose from.

APOGEE sleeps up to 12 guests in six cabins, including a large master suite with a his and hers bathroom featuring a central jacuzzi bathtub. There are three further double cabins and two twin cabins with additional pullman berths, while zero speed stabilisers ensure total comfort at anchor.

Enjoy a romantic evening cocktail on the Portuguese bridge before dining al fresco on the upper deck aft or in the formal dining room, surrounded by sparkling crystal at the polished mahogany table. After dinner, the entertainment continues across two levels for a night to remember; the sky lounge and sun deck aft have been converted into 'Club Apogee' by the crew, with a professional light and music set-up, large backlit onyx bar, dance pole and karaoke system.
