

AQUA LIBRA

OVERVIEW.

Swift and spacious with her own distinctive contemporary style, the 40-metre (131ft) AQUA LIBRA is a Sunseeker 131 – the current flagship model of the iconic British brand. She has tri-deck accommodation for up to 11 guests with very ample living space inside and out, plus the benefit of remarkable performance for a yacht of this size.

Her 24-knot top speed is about twice as fast as a typical 40-metre vessel, which will extend the range and scope of your cruising as well as giving you a thrilling ride from one day's destination to the next. Powerful stabilisers ensure that her motion is smooth and comfortable at all times.

Her sundeck is a fabulous place to spend the day at anchor or at sea with a big jacuzzi pool up front, sun loungers astern and a large, sociable cocktail lounge amidships, facing a sit-up bar. The hardtop above with its extendable awnings provides plenty of shade when required. It's perfect for a party and equally ideal for quiet, relaxing family time.

The foredeck lounge is another large open-air space with a commanding view of the seascape from the forward-facing sofa and triple sunbed. When she's powering through the waves at full tilt, these are the best seats on board.

The upper aft deck is a dining area with a 12-seat teak table and two large L-shaped sofas astern, plus a barbecue grill. The main deck aft offers ample shade with a view over the submersible bathing platform where her watersports toys are deployed. With two RIB tenders, two jet skis, a SeaBob water scooter, a canoe, paddleboards, inflatable tows, a wakeboard and water skis in child as well as adult sizes, there's a wide range of fun for everyone on board.

Her interior is bright and inviting, with great sea views wherever you choose to be. The elegant main deck saloon has a 10-seat table for fine dining and a large, comfortable lounge with floor-to-ceiling windows on both sides. One level up, the skylounge is a chic and cosy living room with L-shaped sofas facing a huge TV plus a cocktail bar and a games table.

The master suite is an opulent full-beam cabin on the main deck with a lounge area on one side of the king size bed, a desk on the other and big windows on both sides. The en suite bathroom is a his-and-hers configuration with a rain room shower, twin sinks and two toilets. The other four guest cabins are two VIP doubles and two twins that convert to doubles, so she'll easily adapt to your needs.
