AQUAMARINA

# APERÇU.

Built in Italy in 2007, AQUAMARINA is part of the very successful line of 47m range from ISA. Boasting a beautiful metallic turquoise exterior, AQUAMARINA stuns in every port and anchorage. Her elegant and sleek lines deceptively hide a spacious interior.

Her sophisticated interior, created by designer Cristiano Gatto is both elegant and decadent with highly detailed stone and woodwork throughout. Comfortably accommodating 12 guests, AQUAMARINA features both a spacious master suite with office on the main deck and an equally impressive VIP suite on her bridge deck with unrivaled views of the water. Large windows allow for plenty of light on every deck.

The exterior space is impressive with dining and seating areas on the main deck aft and the bridge deck. However, the highlight is the truly massive upper deck with stunning arched overhead ceilings and 360 degree views. The area begs to be both a place to entertain and to relax.

AQUAMARINA has been maintained to a high standard with on-going maintenance and continual upgrades since new.

## Principales caractéristiques

---

**Recent Lloyds intermediate survey successfully completed**

---

**2 x MTU 2,365hp**

---

**Cruising speed of 14.5 knots, maximum speed 16.8 knots**
