

AQUARIUS

AQUARIUS

OVERVIEW.

The 46-metre (150ft) AQUARIUS is packed with innovative features. Designed to host up to 10 overnight guests in five cabins with a crew of nine, this striking tri-deck yacht is an excellent choice for a charter holiday with family or friends on the azure blue waters of the Mediterranean.

She offers a wide range of outdoor spaces, from the large foredeck lounge with two separate seating areas, a big jacuzzi pool and quadruple sunpad to the elevated sundeck with ample shade, the spacious main deck aft with its stylish lounge and dining areas, the sociable upper aft deck, the fold-out balcony terraces on both sides of the main deck saloon, and the pair of sea-level platforms that fold down on the port and starboard sides of the beach club. The master suite also has its own private outdoor terrace.

Her interior is finished in a palette of neutral tones with clean contemporary styling. Huge floor-to-ceiling windows throughout the main deck and upper deck levels, giving you a close connection with the seascape wherever you choose to be, and flooding all the main interior spaces with an abundance of natural light. The main deck saloon is especially bright and airy with double doors that slide open on both sides to let the sea breeze flow through.

The beach club is a stand-out highlight, as it should be on a yachting holiday – where better to fully enjoy being at sea? – with a shady lounge that's fully open on three sides and four steps lower than the bathing platform so that your eye level when reclining on the sofas is almost literally on the waterline, with a 279-degree view of the sea.

She carries a high-powered 7.5-metre Frauscher Mirage speedboat plus a second tender, plus kayaks and snorkelling equipment so you can explore the places you visit at a leisurely pace. She's fitted with stabilisers to ensure you don't experience a rolling motion when she is anchored in a bay.

All of the guest cabins on board are generously sized and their en suite bathrooms have a marble finish. The master suite, which occupies the forward end of the main deck, includes a separate office and a TV/cinema setup with a projector screen and double glass doors that lead out onto its private balcony. What better way to start your day on holiday than to step outside and breathe the warm sea air?
