APERÇU.

This beautifully designed pedigree yacht was delivered by Oceano and Vitters in 2016. With naval architecture by Bill Tripp and stylish interiors by Dölker + Voges, she's sure to turn heads wherever she goes.

With volumes that are unequalled on other sailing yachts (more than 1,500 GRT) , AQUIJO offers the space and amenities normally only seen on motor yachts. These include a guest elevator, a stunning beach club with steam bath, jacuzzi and sauna with open access to a swimming platform via a large sliding door.

Her exterior features vast, multi-functional spaces designed with wonderfully clean lines. There's dining for up to 24 guests on the main deck aft, BBQ set up and steps that lead directly to the beach club for sea access.

Three outdoor bars provide endless entertainment options, with a retractable television, coloured lighting options and beer tap. The centrepiece of the deck is a large skylight illuminating the beach club. Additionally, the flybridge enjoys roomy lounging areas and an additional jacuzzi.

Inside, the main deck holds the dining room, library/office and the main relaxation areas, in addition to a private area for the owner, who enjoys additional al fresco dining on their private terrace. Six guest cabins, including two VIP cabins, are located on the lower deck, each with an en suite bathrooms. An elevator serves the lower and bridge decks for ease of use. There is accommodation for up to 18 crew.

AQUIJO offers exceptional sailing ability and exquisite design with ultimate comfort and style, making her a peerless choice.
