

ARADOS

OVERVIEW.

With four balconies and a Portuguese bridge, this yacht is built for family delight, from her sun deck jacuzzi, lounge and bar to her stylish beach club.

This flagship of the British Sunseeker fleet has a top speed of 20 knots so you can sit in the Portuguese bridge lounge with the sun on your face and the wind in your hair while you race from island to idyllic island.

On the sun deck you can soak in the jacuzzi surrounded by sunpads then pick up a drink at the bar and relax in one of two large lounge areas, one shaded, one sunny - also perfect for dining under the stars - before sunbathing on the loungers aft.

There's open air dining on the upper deck aft and a large lounge area on the main deck aft and steps lead down to the amazing beach club. It's a destination in itself where you can enjoy drinks, snacks, TV and music right by the water's edge with a great selection of watertoys within easy reach.

As well as great design, where one space flows easily into another, this yacht brings the outside in like few others. The sky lounge has full height sliding glass doors and folding balconies on both sides creating an incredible sense of openness and, with its full-size bar, it's a great place to enjoy a cocktail at sunset. There's another folding balcony to starboard in the main saloon which, with its lounge and dining room, is designed for entertaining.

The final private balcony is to starboard in the full beam owner's suite on the main deck, which is also where you'll find two VIP cabins with full-height windows presenting wonderful views. Two twin cabins on the lower deck complete family-friendly accommodation for 10 in five cabins.
