ARIENCE

OVERVIEW.

With the space, comfort and features of a 75m yacht in a 61m one, ARIENCE is fully equipped to deliver the complete charter experience in extraordinary style.

ARIENCE is a remarkable, feature filled charter yacht that has become a firm favourite with many repeat parties. Guests can workout in the waterside gym with the most amazing views, relax in the beach club with its own folding sea terrace and bar or watch a movie in the lower deck cinema.

Then take the elevator right up to the sun deck on this wheelchair friendly yacht to take in the views from the jacuzzi with swim up bar and waterfall feature, sunbathe on the sunpads aft or watch the sun set from the observation lounge forward.

There's al fresco dining on the bridgedeck aft along with a lounge, sunpads and bar, and a versatile lounging space on the main deck aft, making her a dream for guests with something to celebrate.

She has a private master deck on the upper deck with panoramic views from the bedroom, a terrace with jacuzzi, lounge and aft deck lounge with its own bar. The other five guest cabins are all on the main deck with step free access to the formal dining room and lounge with bar.

Add to that a five star crew of 18, two Novurania tenders and a comprehensive range of the latest watertoys and you understand why this yacht is so sought after.
