# OVERVIEW.

Large floor to ceiling windows and doors surround the main deck salon allowing guests to feel as if they are outside while protected indoors when needed. The maple hard wood flooring brings a warmth to the modern styling for balance. The formal dining seats 8 guests while the aft and flybridge dining, in true al fresco style will seat more, lending shade cover overhead. In addition to the lounge area on the flybridge aft, a forward facing high top bar provides cocktails at sunset or under the stars. On the foredeck, guests have an equally as large al fresco dining, sunning and Jacuzzi area with shade option. The on deck Master Stateroom is positioned forward with a large walk in shower and steam feature. Long concealed hanging closets are available for guests along with settee and desk/vanity area. Below deck through a central stairway are 4 guests staterooms of which 3 can be chosen. There are two Queen and two Twin. Each Twin stateroom converts if desired to Queen/ custom double beds for 4 couples in all. All are ensuite with showers. Sealux easy touch controls for all lighting in each cabin. Guests have a choice of the most suitable 4 out of 5 staterooms aboard Dopamine for their group. Easy access to the water, tender and toys from the swim platform with beautiful step entrance escalating down.
