

ARTHUR'S WAY

ARTHUR'S WAY

OVERVIEW.

Built by the renowned Benetti shipyard, ARTHUR'S WAY offers a fantastic charter platform with well-appointed guest areas over three decks, beautiful Italian design and excellent on board amenities with something for everyone.

ARTHUR'S WAY is looking fresh and immaculate from bow to stern. Her interior is bright and inviting with sycamore panelling throughout complemented by luxurious furniture and bold touches of colour. The large main deck master suite offers panoramic views over the sea as well as a separate study and direct access to a private terrace with a lounge area and sun pads to enjoy unique moments in utmost privacy. On the lower deck, two VIP cabins and two twin cabins with pullman berths complete accommodation for 12 guests in five cabins.

The sky lounge on the upper deck is a very social area with a bar, comfortable sofas and a formal round dining table with 180° opening doors to enjoy an exquisite al fresco lunch or dinner with a view.

Up on the sun deck is another dining table and great space for all guests to unwind in sun or shade, in the jacuzzi or around the bar with a refreshing drink. Some exercise equipment is also available here for the more active.

For some fun on the water, the beach club on the aft swim platform is the ideal place to launch all the watertoys or simply access the sea for a relaxing swim in a beautiful anchorage.

ARTHUR'S WAY offers comfortable cruising at 12 knots, zero speed stabilisers for comfort at anchor and a crew always at the ready to guarantee the best experience on board.
