

ARTHUR'S WAY

ARTHUR'S WAY

APERÇU.

Welcome aboard the delightful ARTHUR'S WAY 44m (143ft). Since her launch, she has continuously improved, and she has undergone significant refits and refinements to retain her desirability to repeat and new charter guests. Her highly experienced and professional crew knows how to entertain and please you and your guests. From helping everyone get the most from the toybox to providing ever-attentive and faultless service day or night, they will make your experience onboard ARTHUR'S WAY unforgettable.

A recent refit has left ARTHUR'S WAY looking stunning. With a light, modern, and cleanly styled interior, you can relax on the leather sofas, enjoy the games table, or relax with cocktails from the bar – all in the comfort of the main lounge. The sundeck offers even more; you can unwind in the jacuzzi, dine beneath the stars, enjoy drinks at the bar or spend leisurely afternoons with friends and family on the huge circular forward sunpad that can transform into an al fresco lounge area.

As the primary guest, you'll benefit from the beautiful full-beam master suite. Set in a circular suite – with the en suite bathroom to the rear and panoramic views forward – the suite is a beautiful, relaxing space. Ahead, you will have access to your private sea terrace. You're guaranteed complete privacy here as it's neither overlooked nor accessible from the guest areas. Your guests are also treated to exceptional suites on the lower deck, with two double VIP suites and two twin berth suites with pullman berths. These provide your party with a versatile variety of sleeping arrangements.

The formal dining area is at the rear of the sky lounge. It's elegantly framed by a sweeping arc of floor-to-ceiling glass doors, allowing natural light to pour in and provide diners with uninterrupted views and an indoor/outdoor feel. Where better to enjoy the spoils of ARTHUR'S WAY's professional chef? There's always the al fresco dining area on the sundeck for less formal dining.

Those seeking quick trips ashore can hop on the 12m (40ft) Intrepid tender. At the same time, the more active of your group can plunge into the water on the inflatable waterslide or spend hours hurtling along at speed on all manner of towable toys: boards (kneeboards and wakeboards), skis and inflatables. You'll also find two Waverunners, fishing gear and SUPs to amuse all ages and abilities for hours.
