ARTISAN

APERÇU.

At 63m (207ft) with five decks including a top level gym and yoga deck perched high above the sundeck, she is one of the largest yachts built by the Benetti shipyard – arguably Italy's finest shipyard – with elegant full custom exterior lines drawn by Giorgio Cassetta. Truly unique, she is likely to turn heads in any harbour you might choose to grace with her presence.

Although her exterior is remarkable, the real wow factor is inside. Her vast 1,245GT of internal living space is designed by the renowned Bannenberg & Rowell studio to host up to 12 guests on board with an innovative arrangement of asymmetric interior spaces in which the main saloon, upper saloon and beach club lounge have all been rotated by 30 degrees. This subtle shift delivers a new perspective on yachting, offering unique views when you're looking out. It also changes the dynamic of the main guest spaces on board, making them feel relaxed and elegant.

The interior design palette is crisp and contemporary, with iconic Fendi furniture and a bespoke white oak finish offset by carbon fibre and finely crafted details in smoked oak, cream leather and stainless steel. The upper saloon is one of the highlights on board with a dark gloss grand piano and an incredibly beautiful bar sculpted from rare white marble and framed in polished steel.

The master suite is huge – 160sqm – with an office and lounge area, two dressing rooms, two interconnected bathrooms and a spectacular sweep of forward-facing windows with a 180-degree panoramic view. The forward bed looks out over a large private bow terrace with seating and sunpads up front.

ARTISAN has glorious outside spaces too. The aft bridge deck is 14m-long with a bar and spa pool, spacious sunpads and more. One level down, there's a powerful heating system on the upper aft deck to ensure you can always dine and lounge outside in comfort, at any time of year.

ARTISAN is the last word in elegance, design and modern innovation.
