

# ASYA

ASYA

# OVERVIEW.

Award-winning ASYA is perfect for the discerning charterer who values designer décor and clever use of space, married with state of the art entertainment afloat. The tranquillity of ASYA's zen interior is the theme throughout the yacht, combining pale wood tones and cool metallic finishes with tan leather and cream linen in a layout that balances large lounges with cosy nooks.

Start the day with a soak in your private tub, before finding something cool to wear in your walk-in wardrobe. Your full beam master suite is forward on the main deck which happily gives you uninterrupted peace to begin your day. When you're ready, breakfast is served on the upper deck aft.

As you join your friends and family you are greeted by the scent of baked goods and fresh coffee. ASYA has a customised hull shape that works with the zero speed stabilisers to keep guest comfortable in the four other cabins on the lower deck, and now everyone is raring to start the day.

A swimming platform lowers into position astern and reveals the jetski and tender in the beach club. There is also a SeaDoo, wakeboard, paddleboard and waterskis to try. The yacht has 10 crew, so you know that your charter party of 12 will be well looked after.

A trip ashore is on the cards for some so the 6.8m (22.3ft) Dariel tender quickly ferries them to the quayside for a morning of shopping, sightseeing and local cafés. Each port offers new excitement as your cruise takes you down the coast.

The sun deck beckons those who have promised themselves a morning to top up their tan in the jacuzzi. Few things are as truly relaxing as just whiling the time away in a spa pool with a bird's eye view. Plus a sit-up bar under the hardtop offers refreshment in the shade.

Lunch is a long affair as you all relax into the slower pace of life at sea and enjoy the meal – the rest of the day, and days after that, stretch before you. The sky lounge is just through the full-height glass door, and the ideal spot to watch sports or play backgammon in the heat of the day.

You steal away to the foredeck where a seat for two promises you some time alone with your loved one. Chef is cooking up a storm for dinner later, and you'll meet the others for sundowners in the chic saloon, but right now you take a stroll together on the warm teak deck and know that you are living the ASYA dream.

## Key features

---

Exercise equipment

---

Jacuzzi on the sun deck

---

Zero speed stabilisers to reduce any rolling motion while at anchor

---
