ATLANTIS

OVERVIEW.

ATLANTIS is a 47.6m Majesty 155 built by Gulf Craft in 2017, offering impressive volume, generous exterior decks and a highly versatile layout for private cruising or charter-oriented use. Designed across multiple decks, ATLANTIS provides excellent outdoor living areas, including a spacious sundeck lounge, dining area, bar and an owner's Jacuzzi. Her exterior spaces are particularly well suited for entertaining, relaxing at anchor, or enjoying long days on board with family and guests.

Her interior offers warm wood finishes, comfortable guest accommodation and a welcoming main saloon and dining area. With accommodation arranged across 8 cabins, ATLANTIS is an attractive option for an owner looking for a yacht with rare guest capacity in this size range. Built in composite by Gulf Craft, she combines strong deck volume with practical operation. Powered by twin MTU 12V 4000 M63 engines, she cruises comfortably at 22 knots. ATLANTIS represents a compelling opportunity in the 45–50m market, combining space, guest capacity, outdoor lifestyle and Gulf Craft's proven Majesty platform.
