AT LAST

APERÇU.

Built by Heesen, the 145' (44.17m) AT LAST is the epitome of comfort. She was launched in 1990 and has received multiple refits. The superyacht features an exceptional, well-planned layout that offers both privacy and areas for gathering.

For an owner looking for a yacht with charter potential, AT LAST is an outstanding choice. She has an impressive charter history and has been one of the most popular charter yachts in The Bahamas for the past several years.

The renowned Tui Prancich designed the superyacht's beautiful interior. It is elegant and chic, with a bright ambiance that evokes relaxation. Her main salon is welcoming, with ample seating. Forward of the main salon is the formal dining. AT LAST also features a lovely sky lounge with seating and a bar.

AT LAST accommodates up to 11 guests in five staterooms. Her full-beam master, located on the main deck, is a sanctuary with a centerline king bed, en-suite, Jacuzzi tub, rain showerhead, and three wall-fitted showerheads. The yacht's additional staterooms include a king-bed stateroom, two queen-bed staterooms, and a twin-bed stateroom with a Pullman.

The tender and toy storage is located on the main deck aft, allowing the upper decks to be utilized entirely for guest enjoyment. With 360-degree views AT LAST's sundeck is the ideal spot to be at anchor. It features a large sun pad forward with umbrella shade, an amidships bar and small dining table, and a Jacuzzi surrounded by sun pads aft. The yacht features a large dining table on the bridge deck aft for alfresco meals. AT LAST also features a seating area and table on her foredeck.
