# OVERVIEW.

**AUSSIE RULES is a 28.1m (92.2ft) sportfishing yacht built by the renowned American shipyard Viking Yachts. With their sleek exterior and powerful performance, Viking Yachts are recognised across the globe, and are often seen leading major competitive fishing tournaments. As the flagship model for the esteemed yacht builder, the Viking 92 Enclosed Bridge provides a perfect platform for competitive fishing with the comfort and style of a luxury motor yacht.**

With an impressive beam of 7.4m (24.3ft), there is ample interior space for relaxing and entertaining. The main deck has an open-plan design including a spacious lounging area aft with a sectional sofa, a large sit-up breakfast bar and eat-in galley, and a dining area for six guests. All five guest cabins are on the lower deck and provide accommodation for 10 guests. The highlight is the full-beam owner's suite with walk-in wardrobe and his-and-hers bathrooms en suite.

The flybridge offers quiet and protected cruising in any weather to reach those uncharted fishing destinations. Aft of the helm station is a sky lounge with a comfortable seating area surrounded by panoramic views. The flybridge aft offers an additional helm station with outriggers and additional rod holders.

AUSSIE RULES' main deck fishing cockpit is suited for serious tournament anglers, while the upper-level mezzanine allows for guests to get in on the action from afar. This area is equipped with a built-in BBQ and al fresco dining area, with steps leading down to the fishing cockpit on both sides.

Powered by twin MTU 2,635hp engines, AUSSIE RULES cruises at 30 knots and has a top speed of 36 knots. Seakeeper stabilizers provide a comfortable experience on board while underway and at anchor. With a range of 616 nm, new fishing grounds await your discovery.
