

AXELLA

AXELLA

APERÇU.

AXELLA joins the charter market in 2022, having recently undergone an extensive interior and exterior refit, and has never been in better shape to welcome guests onboard and experience the stunning Turquoise Coast of the Eastern Mediterranean.

AXELLA was originally built in 1992 by Italian shipyard Crestitalia, previously known as Pas Encore, seeing several refits over the years ensuring she is always maintained to the highest standard.

She can comfortably accommodate 10 guests across 5 luxurious staterooms, the master stateroom on the main deck offers plenty of smart features including a TV within the floor to ceiling mirror and iPad control system features throughout the vessel. The lower deck is home to two identical double staterooms and two identical twin staterooms each with an en-suite making this the perfect yacht for groups of friends or multiple families. The bright and airy main saloon invites guests inside after a day on the water before sitting down for a gastronomical spectacle on the main deck.

AXELLA flaunts a magnificent flybridge catering to guests every desire from multiple sunbathing spots forward and aft, large central lounge area with a teppanyaki grill perfect for entertaining guests. The retractable roof canopy provides shade for guests wishing to escape the sun and for those seeking adventure can find themselves lingering on the hydraulic swim platform embarking on a jet ski or snorkelling in a secluded cove.

With her exceptional Captain and experienced crew, who are renown for their attentive service, AXELLA delivers an outstanding holiday experience for guests.
