

AZIZA

OVERVIEW.

A truly modern motor yacht, AZIZA is a beautiful, tri-deck displacement vessel. With sleek, aggressive lines and seamless quality, she is a fantastic Italian-built motor yacht with fantastic facilities throughout. Her interior includes a beautifully appointed dining salon and relaxing area on the main deck, with a lounge and bar area on the upper deck. Offering a huge sense of space, the light and contemporary design exudes a calm ambience, which is echoed throughout her extensive outdoor deck areas.

Guests are encouraged to make the most of al fresco living on board. The large sun deck is inviting with two lounging areas with sunbathing pads, a shaded dining area and bar with a subtly designed satcom arch and awning for shade. Numerous socialising areas can also be found on the upper and main deck aft areas. The upper deck seating area is the ideal location for an aperitif before retiring to the formal dining area on the main deck or the al fresco dining area on the sun deck.

AZIZA provides four luxurious cabins, including a spacious master suite on the main deck. The full beam suite boasts panoramic views, an office area, and a generously sized walk-in wardrobe. She also has three additional guest cabins on the lower deck.

AZIZA has all the very latest communications, and a wide range of watersports equipment. With a Spanish charter license and enthusiastic and knowledgeable crew, she is perfect for charters through the Mediterranean and nearby seas.
