

BACA

BACA

OVERVIEW.

Step aboard the 43.4m (142.5ft) Royal Denship BACA, where elegance meets adventure. Following an extensive 2019 refit, BACA now boasts a fresh, sophisticated interior by Claudette Bonville, rich with artistic flair, striking features, and an inviting blend of luxury and warmth. Her blue-accented décor mirrors the sea itself, from the statement glass-blown chandelier above the dining table to the serene hues that run throughout the living spaces.

During the day, natural light floods through oversized windows into the main deck lounge, where plush seating invites guests to unwind. Whether you're entertaining at the formal dining table or relaxing with a book in hand, the atmosphere remains effortlessly welcoming.

Her accommodation is ideally laid out for families or groups, with space for up to 11 guests in five cabins. The full-beam master suite sits proudly on the main deck, complete with his and hers bathrooms. On the lower deck, three double cabins and a twin provide exceptional comfort, with flexible sleeping arrangements to suit every group dynamic.

Outside, BACA's expansive 16m sun deck boasts a large jacuzzi sits aft, surrounded by plush sun pads and sweeping sea views. Forward, a generous arrangement of sun loungers and comfortable circular seating offers the perfect place to relax, read, or sip cocktails in the breeze. A BBQ station makes casual lunches effortless, while the main deck aft provides further alfresco dining and lounging space – ideal for lingering meals or social evenings under the stars. For a quieter escape, the foredeck features a cosy sofa and coffee tables beneath a retractable shade.

The beach club is effortlessly chic, offering seamless access to the sea via a hydraulic swim platform – your launchpad for the day's adventures. Adrenaline lovers will relish the waterslide, waverunners, eFoil, SeaBobs and an exciting selection of towables. For quieter moments, take the 7.6m Sea Hunter tender and explore a hidden bay or remote beach in total comfort and style.
