BARENTS

OVERVIEW.

Literally just out of the dock, this newly refurbished classic yacht is a stunner. BARENTS showcases the latest interior designs and technology to give the style-conscious the charter of a lifetime. Take your time to enjoy all the elements on offer, from the beach club with swimming platform that lowers into place for you to iAqua underwater scooters to the outdoor cinema.

You'll wake up in your master cabin forward on the main deck. This position lends you privacy, coupled with amazing views of your anchorage. The suite's pale wood and smoked-glass doors might be found in a high-end spa, and help you to shrug off any stress as you switch gear into holiday mode.

The super chic lounge with designer furnishings will wait for later, right now head up to the upper deck where breakfast is ready on the new teak aft deck. The glass table is flanked by seats for all 12 of your party to start your day together. Everyone refreshed from a night in their smart modern cabins, with integrated TVs.

The beach club is ready when you are: with the swimming platform in position the club is open. Three iAquas, three SeaBobs, a SeaDoo and two Waverunner racing jetskis – you'll all want a go on these adrenalin-filled rides! For those who are fascinated to see under the waves, talk to the professional crew about taking a scuba trip, they know all the best dive spots and wrecks – don't forget to take an underwater camera.

A long lunch beckons, the sky lounge bar is open and the chef has outdone himself again. The children are crazy-excited that the crew are taking them out on the 10m (32ft) Great White chase boat with the Banana, wakeboard and water-skis. That leaves you to enjoy peace on the sundeck, so take a jacuzzi (and maybe a siesta).

By late afternoon you've all gravitated to the lounge to tell tales of the day and enjoy a cocktail or two before dinner. The floor to ceiling glass doors open onto the aft deck so it's natural to step through to the outdoor lounge too.

Wherever you anchor a trip ashore is a must to explore the local cuisine. Dine on freshly caught calamari at a harbour-side shack or step off onto the private pontoon of the smartest restaurant in town. It is all there for you to discover on your charter.

As the moon rises the mood takes you back to your yacht, where the outside cinema is ready for you. Everyone snuggles into blankets as the movie starts, and you let your mind drift to the next day.
