BATON ROUGE

OVERVIEW.

Exquisitely designed, this five-deck masterpiece is unsurpassed in both style and space. With a stunning beach club and luxurious sun deck, there is only one BATON ROUGE.

Boasting more volume across her six decks than any other 62.5m yacht, BATON ROUGE's Tim Heywood profile is as iconic as her sublime RWD interior. Designed with a super-stylish beach house theme, the guest areas have a cool, comfortable vibe that perfectly suits both relaxation and entertaining.

Start the day with an energising workout in the gym, or swim against jets in the bridge deck pool to work up an appetite. Or if you prefer a more relaxed morning, have a coffee and a long, leisurely breakfast on the bridge deck aft, then stretch out on the sun pads that flank the pool.

Guests will gravitate to the sun deck where there is more than enough sunbathing space for 12 people to unwind, be it on the gigantic circular sun pad forward, or the peaceful sun loungers aft. Enjoy a relaxed, gourmet lunch in the shade of the superstructure, then retire to the fresh, bright upper deck lounge with its ingenious bespoke games table, or enjoy the views and the silence in the panoramic observation lounge.

As the sun drops and the heat subsides, burn off some energy on the water with BATON ROUGE's huge selection of watertoys. Take a break in the large, luxurious beach club or grab a snorkel and plunge off the swim platform for a more sedate encounter with the sea.

As evening draws in the sophisticated main lounge is the perfect place for cocktails, and the chef will create an exquisite fine dining experience either al fresco or in the formal dining room on the main deck. At night head up to the sun deck which has a cool club atmosphere with its own light show and disco, or take a cognac to the observation lounge and enjoy the library.

As you would expect from a luxury superyacht, BATON ROUGE has impeccable accommodation for 14 guests in seven en suite cabins, spread across three decks. The vast, 100sqm master suite is forward on the main deck and comprises of two private offices, a dressing room and separate vanity, and a huge bathroom with frosted glass rainfall shower and blue marble bath. Two VIP suites are located on the upper deck and four further double cabins are on the lower deck, two of which convert to twins.
