

BEATRIX

BEATRIX

APERÇU.

Launched in 2015, the stunning 50m (164ft) BEATRIX is one of the most popular charter yachts on the market. She is a stunning Italian-built motor yacht from the Cantieri Navali Di Termoli shipyard with fantastic facilities throughout. Her interior design by Salvagni Architetti is both stylish and effortlessly modern. Accommodating 12 in six staterooms, including an impressive, full beam master suite, she provides every comfort for her guests.

From the moment you step on board BEATRIX you will be surrounded by everything you could desire and more. Whether you begin your day with a workout in the air-conditioned gym located on the sun deck, or simply enjoy a coffee on your own private deck area aft of the master stateroom, the choice is yours. When it's time for breakfast, the yacht's al fresco dining areas are plentiful. Choose to join your fellow charter guests on the owner's deck aft area, where comfortable sofas surround a large coffee table, or on the main deck aft where a table for more formal dining is located in an indoor/outdoor area, fully shaded from the elements. This is also a superb location for lunch when the heat of the sun is at its strongest.

Follow breakfast with a morning of activities, or head to the sun deck where either a large jacuzzi and fixed sun pads are located forward, or there are loose sun loungers aft for guests to relax on. If the heat of the sun proves too much, simply retreat into the sky lounge amidships for a refreshing drink at the bar. Guests looking to keep cool in the sea can also head down to the swim platform and for access to an inventory of watertoys, including the latest equipment on the market. Have lunch on board or on the beach, before more fun and games, perhaps mixed in with a spot of fishing.

And in the late afternoon when your energy flags, the yacht's wellness area includes a large hammam, after which you could relax in the jacuzzi and enjoy a sundowner, or head to the main deck bar. Fully refreshed for dinner, you may either choose to dine in the formal setting on the main deck, or the more popular main deck aft for another al fresco meal – after all, the outdoor lifestyle is what yachting is all about.
