OVERVIEW.

BEL 1's sporty and sleek exterior houses a fantastic array of social areas and beautiful exterior spaces. Delivered in 2024 by the famously stylish Rossinavi, she offers accommodation for up to 10 guests across five en suite cabins and an additional pullman bed in the gym, including an impressive main deck owner's suite flooded with natural light.

Make the most of your chosen cruising location on the sprawling sun deck with its BBQ, mini pool and sunbathing area – the best spot to relax in the sun or watch the sunset with a drink in hand. Or, get closer to the water courtesy of the beach club which transforms into a spacious terrace – perfect for lounging or gaining access to the plethora of watertoys.

Whatever the weather, the upper deck welcomes you with a dining area protected by sliding glass panels and is serviced by an open bar. Elsewhere inside, the views remain front and centre thanks to large glass windows and opening balconies that offer panoramic views and a unique outdoor experience.

If you can tear your eyes away from the views, Enrico Gobbi's interior design blends warm, modernity and luxury. Dark colours pair with custom art and furnishings to create an inviting atmosphere that contrasts with the bright blue sea.

BEL 1's four stabiliser fins increase her stability, ensuring a smooth ride and comfortable navigation in all sea conditions – making your charter even more enjoyable.
