

BELLA VITA

BELLA VITA

OVERVIEW.

BELLA VITA combines the exhilaration of fast, flat sailing with large, versatile deck spaces and features you'd expect on a much larger yacht.

Prepare for an unforgettably chilled family charter on board one of the best known catamarans in the Caribbean. The relaxed vibe is obvious on stepping aboard, from the light contemporary décor to the warm, welcoming smiles of the crew. A packed toy locker, including a 5.2m tender and scuba diving kit for rendezvous diving, will keep guests' adrenaline levels up all day.

Underway you can see the crew steering and handling lines as you sip cooling drinks in the flybridge lounge and rip along at exhilarating speeds, or you can lie face down on the trampoline watching dolphins play in the bow waves.

At anchor a removable awning shades the flybridge lounge for lunch with a view then you can walk aft and dive off the springboard into gin clear seas. Twin swim platforms make it easy to get back on board then you can ride the crow's nest up the mast for bird's eye views from 30m above the anchorage.

As well as the flybridge lounge, guests can dine outside on the shaded main deck aft and lounge inside in air conditioned splendour opposite the fully equipped bar. At night watch movies under the stars with the yacht's outside projector.

She has four cabins on the main deck, all with plenty of natural light: one master cabin, one double cabin and two twin/double cabins, ideally suited to families and groups of friends.
