BELLE BRISE

OVERVIEW.

Originally launched in 1993 by Perini Navi, the 48m BELLE BRISE has been completely reborn following one of the most ambitious rebuilds in her class. Now delivered in 2026, every major system has been renewed, every surface restored and her interiors meticulously refurbished, creating a yacht that feels remarkably contemporary while preserving the character and pedigree of her Perini heritage.

The project went beyond aesthetics to achieve Restricted Commercial notation under ABS and Malta Flag standards, demanding fundamental upgrades throughout. Firefighting systems, emergency protocols and life-saving equipment were redesigned to the highest standards, ensuring she is as safe and capable as she is beautiful. With her hull, machinery and rigging all renewed, BELLE BRISE is a pedigree Perini, reimagined for the demands of modern super yachting and comes with a full one-year shipyard warranty including a two-year warranty on the paint.
