BELLE ILE

# OVERVIEW.

**BELLE ILE is a 28.43 metre Navetta 30 built in Italy by Custom Line and delivered in 2023.**

She was designed by Filippo Salvetti and the naval architecture was developed by Ferretti Engineering Department.

She is decorated with a modern and stylish interior, featuring a calming, neutral colour palette, wooden accents and pops of blue. The spacious main deck features a capacious main deck lounge with spacious sofa seating and a formal interior dining setup.

BELLE ILE accommodates eight across four cabins – her full-beam owner's suite on the main deck, and three guest cabins on the lower deck. A full study on the lower deck could be easily converted back into a fifth guest cabin, to accommodate a total of 10.

A standout feature of BELLE ILE's exterior is the brand new Technogym equipment situated on her beautiful sun deck, as well as a BBQ and sofa seating with panoramic ocean views.

Her top speed is 14.5 knots, her cruising speed is 12 knots, and she boasts a maximum cruising range of 1,600nm at 10 knots, with power coming from two MAN diesel engines.

## Key features

---

**Delivered in 2023 and maintained to an exceptionally high standard**

---

**Sub-24m waterline length, perfect for Mediterranean cruising and idyllic anchorages**

---

**MAN engine warranties extended until March 2028**
