OVERVIEW.

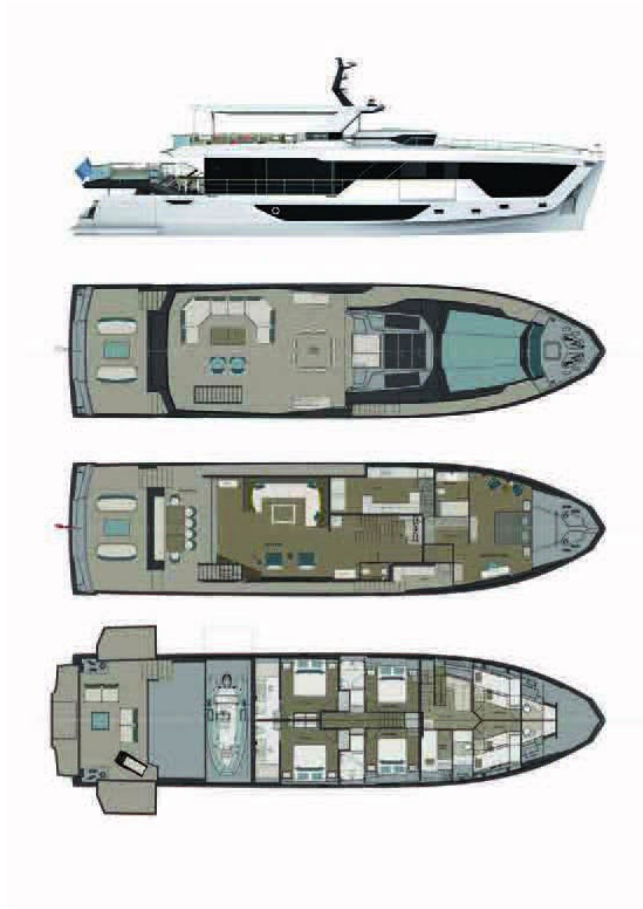

Numarine 30XP is a 30.9 m Motor Yacht, built in Turkey by Numarine and delivered in 2026.

She was designed by Can Yalman, who also designed the interior. The 30XP features a fresh exterior design language, sporting more angular lines, a sculpted superstructure, and a dynamic profile that signals a bold evolution in the explorer aesthetic. The 30XP's beach club transforms the aft area into a luxurious waterside lounge, providing direct access to the sea and a seamless connection to the outdoors. The flybridge serves as an inviting setting for relaxation and entertainment, featuring ample seating, sunbathing areas, and a covered section for shade.

She can accommodate up to 10 guests in 5 staterooms, with 5 crew members waiting on their every need. Each guest cabin is en suite, ensuring optimal comfort and convenience.

Her top speed is 13.0 kn and her cruising speed is 12.0 kn and her power comes from two MAN diesel engines.
