BOWWULF

OVERVIEW.

BOWWULF is the consummate pedigree charter yacht, with a passionate, experienced crew and all the amenities you could dream of to make your stay on board out of this world. From her showstopping sun deck to the contemporary elegance of her interiors to the fun variety watertoys on board, this is chartering at the highest level.

Enjoy the sanctuary of a morning cappuccino on the master suite's private balcony before you take the elevator to the sun deck for breakfast. The tender garage is brimming with toys and equipment to keep even the most energetic guests entertained, including jetskis, kayaks, paddleboards, SeaBobs and Laser dinghies; there is even an inflatable wall and slide to challenge the most competitive in your group. BOWWULF's 11.5m Boston Whaler tender sports four powerful outboard engines to provide a fast and fun experience on the water, whether you are touring the coastline, looking to hook a prize catch or visiting nearby port towns.

If you prefer a leisurely morning pace, curl up with a great book in the bright and cosy lounge before a workout on the yacht's exercise equipment. BOWWULF's modern interior blends a variety of wood tones, cream furnishings and richly coloured accents to provide a relaxing and elegant ambiance. The yacht is as stunning as the day she was delivered by Feadship, thanks to an extensive refit in 2020 that included new entertainment systems, light decor updates and a slick grey hull colour.

Lunch is served on at the sun deck's expansive, shaded dining table with winning panoramic views. There is no better place to spend the afternoon than on BOWWULF's 21m sun deck, moving between the comfortable sunloungers, refreshing jacuzzi and shaded bar for a light bite. Alternatively, head to the sky lounge to watch a sports match at the sit-up bar with service provided by the attentive crew.

BOWWULF sleeps up to 10 guests in five cabins including an expansive master suite with a private lounge, balcony and a walk-in wardrobe with dressing room. Two VIP suites and two convertible twin cabins complete the guest accommodation, while stabilisers guarantee a smooth experience on board.

As the sun sinks past the horizon, it's celebration time. BOWWULF's fun, friendly crew are full of inspiration for theme nights and special occasions; after bespoke cocktails and canapes on the main deck aft, enjoy a sheltered al fresco dinner in the bridge deck's inside-outside dining space and toast your day's adventures.
