

BERCO VOYAGER

BERCO VOYAGER

APERÇU.

Welcome aboard BERCO VOYAGER. New to the charter market after a few years of exclusively private use, she's a stylish and swift 40.5m (133ft) Sunseeker yacht with spacious tri-deck accommodation. Her flexible cabin configuration is designed to host up to 10 guests on board, with service from an eight-strong crew.

Her sharp, sleek exterior looks give a clue to her potential for high performance. She cruises comfortably at a speed of 14 knots, but with the throttles wide open she is capable of 26 knots, which is exceptional for a yacht with this amount of living space. From a practical perspective, the upshot is that she has twice the cruising range of a typical displacement yacht, so you can have breakfast in Barcelona and lunch in Palma on the island of Majorca, for example, instead of taking the whole day to get there. And for short-range cruising on the Riviera you can have a lie-in, then overtake most of the other yachts on the way to a popular anchorage and pick the best spot in the bay before they get there.

One of her best exterior spaces is the upper aft deck. With a big round dining table and comfortable lounge, it's notably large for a 40m yacht with a chic, contemporary vibe. The sundeck above has a great jacuzzi pool plus a bar and lounge with plenty of shade, and a sunbathing zone astern. There's also a foredeck lounge with sunpads and seats around a table, plus another nice outdoor space on the main deck aft, with full-beam sofas and steps leading down to the bathing platform where you can plunge straight into the sea for a cooling dip.

The main inside living spaces have an inviting, smart-casual contemporary style. The cinema system in the skylounge is a stand-out highlight with its projector and 8ft screen. The main deck saloon is bright and elegant with a large, sociable lounge and an elegant formal dining area with a 10-seat table.

The master suite, up front on the main deck, is a smart and sophisticated full-beam cabin with clean contemporary styling. There's a study desk on one side of the king size bed, two armchairs on the other, and a marble en suite bathroom with a rain room shower. The other four cabins are two queen size doubles and two twins with extra pullman berths, all with private en suite bathrooms.

She's a great choice for action-packed watersports with two tenders, a good fleet of small craft and a wide range of toys. Great fun on board is assured!

Principales caractéristiques
