BIANCA

APERÇU.

BIANCA is a great example of the successful Maiora 105 series. Seductive lines, luxurious amenities and powerful speed are tailor made for cruising from bay to bay or island hopping in style. Designed to entertain all those who step on board, she has a cruising speed of 23 knots and can reach speeds of up to 28 knots. She also has a great selection of watertoys to add to her thrill seeking appeal.

Her immaculate, classically styled interior exudes warmth throughout, with wood paneling complemented by light soft furnishings. The main salon has a large seating area with two sumptuous sofas and an elegant dining area with seating for up to 12 guests. With comprehensive entertainment systems throughout, her accommodation comprises a full width master cabin on the lower deck, a VIP double cabin on the main deck and a second on the lower deck plus two twin cabins both with pullman berths, also on the lower deck. She carries a crew of six to ensure outstanding service for up to 12 guests.

Out on deck BIANCA offers guests the chance to take time out and relax either on her expansive extra sun lounging area on the main deck aft or on her shaded sun deck with a bimini. The upper deck is ideal for evening entertaining in complete privacy when berthed.

BIANCA is the perfect choice for charterers looking for a stylish, fast yacht with luxurious living space and a great selection of watertoys.
