

BIG EASY

BIG EASY

OVERVIEW.

If getting out on the water is your thing, then BIG EASY will be a guaranteed hit. Even the most experienced yacht charterers will continue to be entertained day after day on board, thanks to her vast array of watersports toys and energetic crew. And her large volume means you have plenty of social spaces in which to relax on board, both day and night.

Inside, her décor is upscale yet inviting, with a warm, contemporary style and generously proportioned rooms that instantly make you feel at home. The master stateroom includes a private study area with a static bike that can be used for early morning rides, and a large en suite bathroom with a whirlpool spa bathtub. Alternatively, make your way to the upper deck aft where a range of exercise equipment awaits to help work up an appetite.

Take a moment for yourself with the news and a morning coffee on the comfy seating of the foredeck, which provides exceptional views of the morning's sunrise at your anchorage. Then head over to the shade of the main deck aft, where breakfast is served at the large convertible table.

For the adrenalin junkies there are jetskis, SeaBob sea scooters, towable inflatables, stand up paddleboards, a huge inflatable climbing wall and a water slide. And the anti-jellyfish pool offers added reassurance for younger swimmers, with a floating cabana on which to relax between outings. An Intrepid chase tender is ideal for watersports, fishing or simply getting about quickly to nearby ports and coves.

A beach Olympics has been set up on a private islet, with everyone invited to take part, including the crew. Then the chef fires up the BBQ for freshly grilled fish straight out of the sea that day, served alongside a selection of delicious salads, before you return to BIG EASY by tender to relax for a few hours.

The large, plush sofa of the main lounge has enough space for all the family to snuggle up together with a movie screening during your mid-afternoon break from the action. The sky lounge offers a grown-up alternative for afternoon entertainment, with a bar and L-shaped sofa on which to recline with a good book. Or enjoy a dip in the sun deck's jacuzzi to unwind before getting ready for dinner.

Cocktails are served on the foredeck to provide a stunning view of the sunset before you head up to the sun deck, now transformed by the creative interior crew into a fun themed night with dinner, music and dancing.
