

BINA

BINA

OVERVIEW.

A nicely designed 43-metre (141ft) tri-deck vessel from the Mondomarine shipyard, BINA offers a great variety of stylish contemporary living spaces for up to 12 guests with a generous dash of Italian style. She's bright and fresh inside with a clean, welcoming aesthetic.

Her outside spaces include a colossal swathe of sunpad cushions open the foredeck, with a snug seating area, as well as an expansive sundeck and two outside aft decks, each with a different vibe. The sundeck has a large jacuzzi pool up front, entirely encircled by sunpads, a dining table amidships beneath a shady awning and two separate lounge areas aft. It's a perfect multi-purpose living space where your whole group can spend a day on the water, enjoying each other's company in the warm sea breeze.

If watersports are your thing, BINA offers hours of fun. She carries two tenders: a 32ft day boat for long-range excursions with plenty of seating and lounging space, and a sound system to play your favourite tunes, and a RIB for waterskiing, wakeboarding and beach landings. There's also a three-seat Waverunner jet ski, two SeaBobs and an eFoil board, paddleboards and a range of inflatable toys.

BINA's interiors are designed with a colonial beach house theme, predominantly white with splashes of colour and touches of dark wood. The main deck saloon is a comfortable, soothing space, ideal for casual gatherings or curling up on the sofa with a book. The upper deck saloon is a snug, cosy living room for movie nights, TV and gaming sessions.

Three of her five guest cabins are full-beam suites, offering ample space and luxury. The master suite, at the forward end of the main deck, has a lovely window seat on one side and a full marble en suite bathroom. There are two VIP doubles and two twin-bed cabins on the lower deck, so her accommodation layout is ideal for a range of different needs.

Step aboard, relax and unwind – BINA and her crew will soon make you feel right at home.
